## Myron Thomas Joins Culmen International as Chief Operating and Financial Officer

**Alexandria, Virginia, June 19, 2020** - Culmen International, LLC, a preeminent Government services firm providing technical support, management services, and innovative technology solutions, is pleased to announce the appointment of Myron Thomas as the company's new Chief Operating (COO) and Financial Officer (CFO). Through these dual roles, Mr. Thomas will be leading efforts to optimize operations and guide capital deployment to maximize organic and inorganic growth. As a member of the executive leadership team, he will have an integral role in executing Culmen's strategic plan, developing and implementing its financial strategy, and providing servant leadership to ensure Culmen's Divisions and Programs are well supported to exceed client expectations. "Culmen International is thrilled to have Myron's experience and expertise on the team as we strive to be an extraordinary company where extraordinary people can make a difference" said Dan Berkon, President and CEO of Culmen.

Prior to joining Culmen, Mr. Thomas led multiple high-growth, private equity-backed companies as President, COO, and/or CFO. Most recently, he served as COO at Melwood, a mission-driven Federal contractor utilizing the AbilityOne program to employ individuals of differing abilities. Mr. Thomas began his career in the audit and transaction services divisions at PwC and KPMG, respectively. After serving as an international ex-pat for Corning Incorporated, and after obtaining his MBA, he served as CFO for Corning's corporate venture capital division, focused on fiber optic and photonics innovations. Throughout his nearly 25-year career in Finance and Operations, Mr. Thomas has established a reputation for building high-performing teams and for aligning operating and financial metrics to support business strategy and high-growth. He has led multiple equity and debt financings and raised in excess of \$1.2 Billion.

Mr. Thomas holds a Master's Degree in Public/Private Economic Policy (MPA) from Harvard University, a Master's in Business Administration (MBA) with a focus on Finance and Entrepreneurial Management from the Wharton School at the University of Pennsylvania, and a Bachelor's of Science (BS) Degree in Accounting from Florida Agricultural and Mechanical (A&M) University. Mr. Thomas holds Certified Public Accountant (CPA), Chartered Global Management Accountant (GCMA), and Certified Valuation Analyst (CVA) licenses, as well as a Six Sigma Green Belt certification. He is a member of the Washington, DC/Baltimore Young Presidents' Organization (YPO) and Leadership Greater Washington (LGW). Culmen is proud to welcome Myron Thomas to our team!
