Culmen Wins Position on \$907M Army Joint Enterprise Contracted Logistics and Services Contract

Alexandria, Virginia, February 24, 2023 – Culmen International, a premier international logistics firm, is pleased to announce our recent contract win in support of the United States Army Joint Enterprise Contracted Logistics and Services Support (JE-CLaSS II) for the Joint Program Executive Office for Chemical, Biological, Radiological and Nuclear Defense (JPEO-CBRND) enterprise and their partnering organizations. The JE-CLaSS II contract is a Multiple Award (MA), enterprise-wide omnibus Indefinite Delivery Indefinite Quantity (IDIQ) contract vehicle.

“Culmen is honored for the opportunity to continue our relationship with the United States Army supporting the warfighter with streamlined, quick response logistics and sustainment operations support,” said Dan Berkon, Culmen’s Founder and CEO. “Culmen has over 18 years’ experience providing industry leading capabilities in chemical, biological, radiological, nuclear and explosive (CBRNE) threat protection globally and looks forward to contributing to the success of the JPEO-CBRND mission.”

The JPEO-CBRND's mission is to provide integrated layered chemical, biological, radiological, and nuclear defense capabilities to the Joint Force across Combined Joint All-Domain Operations. The JPEO-CBRND works side-by-side with the Department of Homeland Security and other agencies in the on-going effort to guard against the CBRNE threats via a resilient Joint Force enabled to fight and win unencumbered in a CBRNE environment.
