

FOR IMMEDIATE RELEASE

Culmen International Ranked Among D.C. Metro Area's Largest Private Companies

Alexandria, Virginia, September 23, 2022 - Washington Business Journal recognized Culmen International, a leading provider of technical, management, logistics, and humanitarian assistance services, on its annual list of [100 Largest Private Companies in Greater D.C.](#) This is Culmen's first time making the list that ranks companies by revenue for the previous fiscal year. This recognition joins several recent honors highlighting Culmen's continued growth, including being on the Inc.5000 Fastest Growing Company list for the 11th time and Washington Business Journal's list of 75 Fastest Growing Companies in Greater Washington.

"In a region with more than 10,000 private business, we are honored to be ranked on the Washington Business Journal's Top Private Companies list contributing to the vitality of our local economy and creating jobs for members of our community," said Dan Berkon, Culmen's Founder and CEO. "The growth that has earned us this recognition would not be possible without the commitment of Culmen's dedicated employees, our valued government clients who entrust us to support their missions, and our partners and service providers who help us execute effectively."

Culmen's customer base is comprised of the US Departments of Defense, State, Energy, Justice, Homeland Security, and Health and Human Services, as well as international partner countries. Culmen delivers a broad range of services that include Program Management and Technical Services, Global Procurement and Logistics, Training and Instructional Systems Design, Specialized Language and Culture Services, and Mission Oriented Technology Solutions such as Agile Software Engineering, Data Analytics, and Data Visualization.
