## Culmen International Ranked Among Fastest Growing Companies in Washington

**Alexandria, Virginia, October 15, 2021:** Washington Business Journal recognized Culmen International, a leading provider of technical, management, logistics, humanitarian assistance and logistics services, on its annual list of 75 Fastest Growing Companies in Greater Washington. Culmen placed number 42 on the list, which is based on a percentage of revenue increase and employee growth over a three-year period, with an impressive growth rate of 47.5%. This recognition joins several recent honors highlighting Culmen's continual growth, including being on the Inc.5000 Fastest Growing Company list for the 10th time.

"Culmen International is honored to be recognized by the Washington Business Journal and humbled to be included alongside the other awardees for whom we have great respect," said Dan Berkon, CEO of Culmen International. "Culmen owes our progress to our dedicated employees, valued clients, and the partners and service providers who have supported us along the way. Culmen has a lot of work yet to be done, and we are excited to continue providing support to our clients' critical missions."

Culmen's customer base is comprised of the US Departments of Defense, State, Energy, Justice, Homeland Security, and Health and Human Services, as well as international partner countries. Culmen delivers a broad range of services that include Program Management and Technical Services, Global Procurement and Logistics, Training and Instructional Systems Design, Specialized Language and Culture Services, and Mission Oriented Technology Solutions such as Agile Software Engineering, Data Analytics, and Data Visualization.
