## Culmen International Awarded Five-Year COCOM IDIQ

**Alexandria, Virginia, November 7, 2019** - Culmen International, a leading provider of technical, operations and management services internationally, was recently awarded a five-year indefinite delivery/indefinite quantity (IDIQ) contract to provide acquisition support services to a Combatant Command's (COCOM's) program management office in the northern Virginia area.

"We are proud to continue our support to this important mission," Dan Berkon, Culmen CEO, stated. "This award was a follow-on contract, thanks to the hard work of our dedicated employees and teammates supporting this client. Culmen is grateful for the trust the customer has put in our team, and we remain committed to providing high quality acquisition expertise to the COCOM's program management team."

The contract requires Culmen to staff the office with skilled acquisition, resource, engineering, and administrative analysts and specialists to support the customer's unique equipment requirements. Our first task order under this IDIQ provides program and acquisition support services to the customer from locations in Florida, Maryland, and northern Virginia.
