

WHO WE ARE

Established in 2004, Culmen International provides a large portfolio of technical, management, humanitarian assistance and logistics services supporting clients worldwide with extensive experience operating a diverse team in over 130 countries on six continents.

MISSION

Culmen International is dedicated to enhancing international security and stability through facilitating global collaboration and optimizing operations of governments and key partners. We help our customers operate in challenging environments with constrained resources, and effectively interact and engage with diverse cultures. Culmen undertakes complex initiatives across international borders to accomplish critical missions that make a positive impact.

A LEADER IN INTERNATIONAL SECURITY, LOGISTICS, AND TECHNOLOGY SOLUTIONS

WHO WE SERVE

- U.S. Federal Government
- International Partners
- Non-Governmental Organizations (NGOs)
- Private Sector and Multi-National Organizations

SERVICE CAPABILITIES

▶ PROGRAM MANAGEMENT & TECHNICAL SUPPORT

Culmen provides advisory and assistance services, acquisition support, policy development, process improvement, administrative support, and technical SME.

▶ GLOBAL PROCUREMENT & LOGISTICS SUPPORT

We perform procurement services, contracting with manufacturers and suppliers in the US and abroad for sensitive equipment. Our work includes multiple vendor procurement, international logistics (shipping, inventory management, equipment inspections, installation, repair, and disposition), and supply chain management.

▶ TRAINING & ENGAGEMENT SUPPORT

We conduct curriculum development, training delivery, exercise support, travel logistics, international partner coordination, and event management.

▶ SPECIALIZED LANGUAGE & CULTURE SERVICES

We implement culture and language programs worldwide. Our services include interpretation, translation, language instruction, cultural awareness and immersion training.

▶ TECHNOLOGY & MISSION APPLICATION DEVELOPMENT

Culmen develops customizable, flexible, and cost-effective data management solutions based on expertise and best practices.

▶ DATA ANALYTICS / DATA VISUALIZATION

We are exploring and expanding digital domain by using big data methods with data-driven simulations and advanced predictive analytics to gain insights about the risks and opportunities confronting our clients.

▶ AGILE SOFTWARE ENGINEERING

We apply Agile processes that show scalable results quickly, adapt to user needs, and deliver secure solutions on-time and within budget.

▶ HUMANITARIAN ASSISTANCE

Culmen has over a decade of experience supporting US Government humanitarian missions in the US and across the globe for Department of State, Department of Defense, and Department of Health and Human Services.
